

Create a Safety Poster

Instructions:

Use the provided template to create a classroom or worksite safety poster. Use markers, crayons, paints or any other medium to create your design.

Printing Instructions:

1. Paper Selection

- Best printed on 11 x 17 paper

2. Portrait Orientation

3. Auto color will allow for true poster colors

Suggested themes:

- Safe Lifting
- Working Alone
- Knife Skills
- Incident Investigation
- Near Misses
- Worker Orientation
- Stop & Ask for Help
- Slip, Trip and Fall Prevention
- Emergency Exits
- Kitchen Safety

Recommended Activity:

Have students/workers work together in small groups. Display these posters around the classroom or workplace for everyone to see.
