

# Did You Know...

Each Year 83,876 young workers are  
employed in Saskatchewan

On average, 8,000 young workers are injured  
every year on the job

4 young people will not come home this year,  
due to work related fatalities

Youth aged 15-24 are 3 TIMES MORE LIKELY  
to be injured on the job, than  
any other worker
