

SLIP, TRIP, & FALL PREVENTION RESOURCE PACKAGE

SERVICE & HOSPITALITY INDUSTRY STATISTICS

- Slip, trip and fall injuries account for 20% of all injuries in the service and hospitality industries, and 30% of all costs and compensation days. (2015-2017)
- The average age of the people being injured by falls is 41.6 years old. This is older than the average age of all injuries in the industry, which is 36.
- The average cost per claim is more than 50% higher for slip, trip, and fall claims than for the average injury claim in the service and hospitality industries.
