

Service & Hospitality Industry

83,876

Young workers are employed in Saskatchewan each year.

55.9%

Will work in the hospitality industry before completing secondary education.

Leading Causes of Injury in Workers 25 and Under

#1

Cuts

#2

Burns

#3

Sprains
& Strains

Youth (aged 15-24) are three times more likely to be injured on the job than any other worker.

In the last five years, 2705 workers under the age of 25 suffered a workplace injury in the service and hospitality industry, including one fatality.
