

All workers have the right
to refuse unsafe work.

THE RIGHT TO REFUSE

Instructions:

Place the steps for the right to refuse in order from 1 (first step) to 6 (last step).

- _____ If the concern cannot be resolved with the employer reach out to your occupational health committee for assistance.
- _____ Inform your employer or supervisor that you are refusing work due to a health or safety concern.
- _____ The refusal will be investigated by an occupational health officer.
- _____ A member of your occupational health committee will investigate the refusal and determine an outcome.
- _____ Do not leave your workplace without your employer's permission.
- _____ If an outcome cannot be determined within your workplace contact the Occupational Health and Safety Division.
